Greetings!

Club leaders at Perfect North Slopes take great pride in helping us share our passion for a family friendly and healthy wintertime activity. We appreciate every ounce of energy you put in to building a strong club and look forward to creating a lasting relationship with all of you. Without your efforts, none of this would be possible!

Listed below you will find helpful information to get your ski and board club started. We are always happy to help in any way that we can. Feel free to let us know if you ever need any assistance or have any questions.

- You will need at least 15 members to qualify for discounted club pricing. Clubs enjoy a 30% savings off of the regular price of a season pass.
- The discounted club pass pricing will expire on November 8th, 2020. After this date, the discount will be 20% off regular pass prices until December 1<sup>st</sup>, 2020. After December 1<sup>st</sup>, pass prices will drop to 10% off regular pass prices.
- In order for a customer to be included on your club roster, they will need to purchase a season pass through the link that we will provide to you. Share this link far and wide to help build your club numbers and earn rewards.
- Customers that have already purchased their pass for the 2020-2021 Season are not eligible to be counted as one of your 15 members.

All season pass options are available for purchase to club members.

**Exclusive to our clubs is the Club 4 Visit Pass.** This card is a 4-visit pass valid once a week on your pre-selected day. Choose a day (Monday-Thursday) that best suits your membership. The option for a Friday 4-visit pass is by request only.

Thank you all so much and have a great season!

## **4-Visit Club Lesson Add On**

By registering for the 4 Visit Club Lesson Add On, participants receive one-hour lessons that fall on the preselected weekday for their club, for 4 consecutive weeks. Individuals will be grouped with skiers or snowboarders of the same or similar ability level. Instructors will work with the groups to improve their skills in the areas of balance, rotary, edging and pressure.

For the best learning experience, we strongly recommend that those registering the 4 Visit Club Lesson Add On work on one discipline (skiing or snowboarding) for all 4 weeks of lessons.

**Cost:** \$40  
**Start Date:** Week of January 4<sup>th</sup>, 2021  
**End Date:** Week of January 25<sup>th</sup>, 2021  
**Make Up Date:** Week of February 1<sup>st</sup>, 2021\*

*\*If an entire club (not individuals) misses their selected lesson day due to bussing, weather, school functions, etc., we will work with that club to accommodate their make-up lessons.*

**Lesson Times:** 1PM, 4PM, 5PM, 6PM, 7PM and 8PM. Participants should arrive to the lesson meeting area 10 minutes prior to their lesson time to be sorted into groups. Those who arrive late may have to wait until the next hour.

**Location:** Meet at the Learn To Turn Area on the snow near the West Lodge. Participants will be assigned a letter and will group with other participants at that letter each week.

**Minimum Age:** 9 Years Old

**Registration:** Register online by logging into your club, and click "Lesson Add On".

## First Time Included Beginner Lessons

The First Time Included Beginner Lesson is strongly recommended for new skiers and snowboarders who are not taking the 4 Visit Club Lesson Add On. This lesson will help participants learn to control speed, turn and stop.

**Cost:** Included with every lift ticket/season pass.

**Lesson Times:** 50 minutes long, taught at the top of every hour.

**Location:** Meet at the Learn To Turn Area on the snow near the West Lodge.

**Minimum Age:** 4 Years Old

**Registration:** No pre-registration is required; just come to the Learn To Turn Area for your lesson.

## **CLUB SPONSOR REWARD PROGRAM**

Perfect North Slopes' Club Sponsor Reward Program is based on the **minimum of 15 club members** registered through your club by December 1<sup>st</sup>, 2020. If someone was in your club previously but has purchased their pass at our earlier pass price sale, they will not be counted towards your club membership total.

### **Points:**

As a club sponsor, you will receive 100 points for reaching your minimum of 15 club members registered through your club. You will also receive 10 points per person. Example: 15 club members = 100 points, plus 10 points per person = 150. Total points = 250. If you have 50 club members, you would receive 100 points and 500 points for a total of 600 points.

These points can be used toward the purchase of passes. Each point will represent \$1.00 towards the pass price. You can also purchase a debit card. It takes 4 points per \$1.00 for debit cards.

The equipment rental add on is complimentary if needed for club sponsors.

### **PNS Debit:**

For every NEW club member (not a previous pass holder) you will receive \$5 per person on a Perfect North Debit Card.

### **Receiving your Rewards:**

I can be contacted at 812-537-3754 ext. 1291 after the deadline to redeem your points for passes and debit card. Please do not purchase your pass or go online to redeem, our team will handle this for you.
